Denver Award Recipient
Floyd Stokes '17, The American Literacy Corporation

This award is presented to an LC graduate for their distinguished contributions to numerous not-for-profit organizations, either through their career and/or volunteer work.

Floyd was an early graduate of LC in 1995, and since then not only run his own small business but started a nonprofit that has become his life's work. He has affected many people from the very young to the marginalized to be sure that everyone has the opportunity to learn as well as be heard.

Shining Service Award Recipient
Jeanna Som '23, Supportive Partnerships for Youth (SPY)

This award is presented to an LC graduate for their outstanding example of how our fellows are making a difference in the community through their leadership and service.

Jeanna's leadership of the SPY program has been one of facing challenges and finding solutions. The evolution of the SPY program in the years since the pandemic has been built on a strong foundation by Jeanna's dedicated and forward-thinking leadership. She is a perfect example of Shining Service as she also enables the young "campers" of SPY to shine as well!

As part of our Leadership Fellows Class Program participants are asked to stand on accountability nonprofit board of their choosing. **Each year 70-80% of Fellows remain on their chosen nonprofit board after the program is completed.** This opportunity is highly beneficial for both the Leadership Cumberland Fellows and the nonprofit involved.

Leadership Cumberland Board Internships provide a unique chance for emerging leaders to serve as a non-voting ex-officio member on a nonprofit Board of Directors/Trustees. The organizations that offer such partnerships and serve as "learning labs" for Leadership Cumberland Fellows are vitally important to the overall program and experience. The opportunity for Fellows to observe and integrate leadership and governance concepts is invaluable and truly appreciated by the Leadership Cumberland Board of Directors.

Click below to find out what Leadership Cumberland provides and what LC expects of the Nonprofit Board Internship Sites. If you're interested you can fill out the agreement right at the link below.
